SCANDINAVIAN DANCE WORKSHOP

WHERE:

**Elks Lodge
114 North Broadway
Red Lodge, Montana**

WHEN:

**March 29 and 30
2019**

The Billings Leikarring and The Scandinavian Dancers of Red Lodge are extending an invitation to join them for a Scandinavian Dance Workshop in historic Red Lodge, Montana. This will be the 29th annual folk dance workshop for Sons of Norway District IV and will feature dances and music of Scandinavia.

Like many towns of the West, Red Lodge was built on mining. Immigrants were drawn by coal mining and ranching with the majority coming from Austria-Hungary, England, Finland, Germany, Italy, Norway, Scotland, Sweden and Wales. With the Depression and closing of mines, the residents turned to the manufacturing of cough syrup, otherwise known as bootleg liquor. With the building of the Veterans Memorial Civic Center after World War II, a celebration was held to highlight the ethnic diversity of Red Lodge and led to the annual 9-day Festival of Nations. The Beartooth Highway links Red Lodge to Yellowstone National Park.

Vidar Skrede will be the featured musician for the workshop. From Haugesund in Rogaland, Norway, Vidar is a freelance Nordic folk musician and teacher on fiddle, hardanger fiddle and guitar. He has performed with many Nordic bands and artists and has several CDs to his credit. Members of the Fargo Spelemannslag will accompany Vidar and are looking forward to playing with him since Vidar was instrumental in getting the Fargo Spelemannslag started.

The dance sessions will be led by Bob and Maren Holmen. Bob is dance leader of The Scandinavian Dancers of Red Lodge and has participated in many regional Scandinavian dance workshops.
